## CERTIFIED RECORD OF LAND CORNER MONUMENTATION

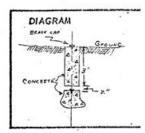

Submitted by City Engineer's Office

Pendleton, Oregon

History of original corner street and

The Jones & Cloffee

The Iron pipe has been accepted locally as being the 1/4 corner between sections 16 and 21 TZN R32E for many years and is shown on many surveys in the area

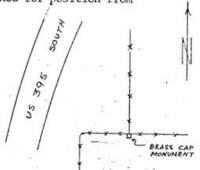

Description of corner evidence found:

1" iron pipe with a square top at a "T" fence corner

Description of monument and accessories I established to perpetuate the original location of this corner

The original pipe was referenced and remove. A city of Pendleton Brass cap was then set in concrete and punched for true position from the reference marks. The surface mark is stamped "1/4 COR" and punched for true position The subsurface mark is also set in concrete and is punched for position from the references.
