Monume	ent (s) Set (Proc	edures and Des	scription)		313 S
A 1 1/2" x	30" galvanized in	ron pipe with a 2	1/2" Brass cap, sta	mped as show	n above. Corner was
re-establ	ished by holding	the intersection	of ancient North-S	outh and East-	West fences. This
position i	s nearly perfectly	online between	monuments to the	West and Eas	st, and is approximately
period of	time and are he	te position. Thes ld as best eviden	e rences appear to	have delineate	ed ownership for a long
penoa or	une and are no	d as best eviden	ice.
