CORNER DIAGRAM

DESCRIBE CORNER MONUMENT FOUND

Could find no evidence of the original post.

DESCRIBE BEARING TREES OR OTHER OFFICIAL ACCESSORIES FOUND Found dead Lodge Pole Pine 10" dia. with opened blaze and visible scribing "1/4S" for SW BT and a P.Pine (live) 25" dia. with opened blaze and visible scribing "1/4S" for NE BT. Measured record dist. from both BT's. At intersection point set up staff compass and shot bearings to old BT's, P.Pine is N42°E and L.P.Pine is S46°W which leads me to believe the original surveyor transposed his numbers in the SW bearing.
