Corner was originally set by Odell and Lewis under contract No. 110 dated February 7, 1865. Their record reads: Set 1/4 Sec. post on hillside facing W. John Arnold, in survey No. 28 recorded in the Record of Private Surveys Book 1, Page 170 says "found the red end of the original post in the mound under an E-W fence". He set a basalt stone 12x10x7 inches marked 1/4 on the west face over the end of the old post.
