Chair	s
86.32	Intersect Tp. line at first Cor. to Secs. 6 & 7
40	
II.	N. on random bet. Secs. 5 & 6
40.00	
76.82	Intersect Tp. line, 75 lks. W. of post Cor. to Secs. 5 & 6, 32 & 31
	S. 32' W. in true line bet. Secs. 5 & 6
29.00	Indian trail, N. 20° W.
36.82	Set charred stake, with mound, trench and pits as per in- structions, for \$\frac{1}{4}\$ Sec. Cor.
76.82	Cor. to Secs. 5, 6, 7 & 8
	The N. line of Sec. 6, measures 87.10 Chs.
1	
	General Description  In soil and surface, this Tp. closely resembles T. 3, R. side  31, previously reported. Towards the W. however, the soil becomes more sandy and level and the small revines mun
